

Global OpEx Solutions

BY REQUEST: 2 DAYS

Course Code: BTBO-V01

Skipping the basics and implementing Lean or 6σ has cost companies unnecessary radical changes resulting in a failed or mediocre operational excellence journey. Implementing and ensuring the basics to provide a stable foundation is the key preparation required for a successful and sustainable continuous improvement journey. Participants will learn the basic components which serve as the foundation to implementing a successful and sustainable continuous improvement system. The *Back to Basics of Operational Excellence* course complements the *Integrated Management System* course. This course is for both, leaders and practitioners, while *Integrated Management System* is primarily for continuous improvement leaders and facilitators.

Learning Objectives

- ◇ Why go back to the basics of operational excellence
- ◇ How the basic tools serve as a foundation for a well-connected system
- ◇ How to implement 5S for efficiency & effectiveness
- ◇ How to implement standard work in different work environments
- ◇ Daily visual management to enhance communication & expose problems early
- ◇ Problem-solving & kaizen workshops

Instructors

Rudy Villarreal, Senior Consultant — OpEx Solutions, is an expert in contract management and the public sector. Rudy's experience also includes identifying, recommending, and coordinating the implementation of process improvement and developing and implementing training programs. He centralized the complaints tracking, analyzing, and corrective action system for the State of Texas' Managed Care.

John P. Gay, Master Black Belt, Principal Consultant — OpEx Solutions, has been Supervising Master Black Belt and Global Best Practices Leader for Focused Improvement for DuPont, delivering over \$1M per person every year in hard, validated savings in addition to \$2M + in soft savings until his retirement. He also led 14 engineers and chemists as Technical Superintendent for the LaPorte, Texas Dupont plant, ensuring compliance with new environmental permit standards including effluent water quality. John is an APICS Certified Supply Chain Professional and a SCORE (Supply Chain Council) Professional.

Payment & Cancellation Policy: A 50% advance payment is due at the time of scheduling. The balance and expenses will be invoiced after the event. For cancellation up to seven days prior to the event date, the advance will be refunded less 10%.
